

## Ferry Market's One Year Anniversary

### **Celebrating Ferry Market's First Year in the New Hope Community**

Tuesday, September 18, 2018

*It's hard to believe that next month Ferry Market will have been open for one year. Since the market's opening, new vendors have been added, but one constant remains the same: Ferry Market is THE reason to visit New Hope!*

On December 31, 2014, the Playhouse Inn Properties purchased the Four Seasons Mall, located at 32 South Main Street in New Hope, PA. Despite the beautiful Delaware River views, flooding caused this 12,000 square foot building to fall into disrepair and the business eventually filed for bankruptcy.

Over the course of three years and ten months, Sherri and Kevin Daugherty converted this retail space into the upscale indoor and outdoor gourmet market that it is today. The space was updated and modernized with an open architecture concept. Exposed ceilings, garage doors opening to the main street of New Hope, and an outdoor courtyard were designed with the help of Ralph C. Fey, AIA Architects.

Ferry Market opened its doors for business on Thursday, October 4, 2017. New Hope has always been a food focused town, and Ferry Market contributes to that level of culinary excellence without competing. What makes Ferry Market unique is that it provides a place where patrons can stop in for a quick bite to enjoy onsite or on the go at every price point.

They offer healthy and flavorful options for breakfast, lunch, and dinner. Ferry Market caters to people with dietary restrictions, such as gluten sensitivities, and delivers flavors from all over the world, including France, Hawaii, India, Mexico, Peru, and Taiwan.

Throughout the past year, Ferry Market has become much more than just a market. It has become a must-see destination for visitors, a hub of community events, and a special place of carefree socialization. They have hosted the New Year New Business Celebration, Music in the Market, a Health and Wellness Weekend, and the New Hope Celebrates Pride Social. Ferry Market will be celebrating its one year anniversary on Thursday, October 4, 2018 and invite the community to participate.

At the celebration, locals are invited to try new food and drink at the market, listen to live music, meet friends for dinner, and participate in a special Story Slam. Enjoy dinner with live rock music, courtesy of The Zeke Sky Band. For the Story Slam, storytellers will prepare a five-minute story, randomly selected names will be drawn out of a hat, and judges from the audience will critique each story. Beer and wine will be available for purchase throughout the Story Slam. Birthday cake will be served!

*This is just the beginning for Ferry Market. Celebrate hard work, progress, and memories at Ferry Market's One Year Anniversary with music, food, drink, and stories. Please join us in commemorating Ferry Market's first year of many as part of the New Hope community.*
